Scott is Commissioner Edwards's deputy in the Bronx, having been sworn in to-day by Mayor McClellan.

Henceforth it will be "right about face: attention and shoulder arms with Capt. Scott on the job in the borough above the Harlem. Capt. Scott takes the place of Fred A. FUMIGATION DRUG

Fumes Rise From Apartment Below and Higgins's Daughters Are Found Unconscious.

The fumigation of an apartment in the flathouse at No. 206 West One Hundred and Forty-sixth street to-day came near killing Ruth and Regina Higgins, sixteen and fifteen years old respectively, the daughters of Willfam Higgins, living on the third floor front apartment.

The girls were left at home by their parents this morning and were alone in the flat with a collie dog named Shep. Shortly before noon one of the girls noticed that the dog was staggering about Then she detected a peculiar odor that made her head ache. Both sisters remarked on the smell and suddenly Ruth, the older girl, fell over unconscious.

As she fainted her sister felt herself going and screamed. She struggled to get to the door, but collapsed in the narrow hallway of the flat. Her cries were nearl by a neighbor, Mrs. Bertha Robinson, who tried in vain to get into the flat and then went out and got Policeman Benter. He broke open the door and found both young girls unconscious and the collie dog dead.

dead.

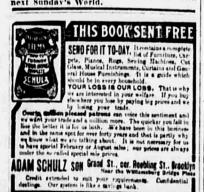

The girls were carried to a neighbor's flat, where an anabulance surkeon and two doctors worked over them an hour before bringing them to. Meanwhile, the policeman had investigated to locate the sickening fumes. He found that the flat below, occupied by Mrs. Sophie Ctimmins, was being fumicated and that the fumes of the chemicals used had mounted to the Higgins's flat through the openings for steam pipes.

SEVEN YEARS FOR THUG.

Notaro, Reformatory Graduate, Held Up Sailor on Park Row.

Filippo Notaro, nineteen years old, of No. 404 West Forty-sixth street, pleaded guilty in General Sessions today to holding up and robbing a sailor, Gustav Gunderson, on Park row, on the night of Feb. 15, and Judge Muiqueen sentenced him to seven years in State Prison. "You are a little thug," said Judge Mulqueen, in passing sentence, "and I will put you where you belong."
Notaro threatened Gunderson with a blackjack while he took \$7 from him. He has served a term in Elmira Re-

You Are Invited to Visit This Place.

This is a view of the laboratory in Lynn, Mass., in which Lydia E. Pinkham's Vegetable Compound is made.

There is a sign 5 feet long and 21 feet wide attached, permanently, to the front of the main building which reads as follows:

Public inspection invited - from 8 A.M. to 4 P.M. -Lydia E. Pinkham Medicine Co.

What does this sign mean?

It means that public inspection of the laboratory and methods of doing business is honestly desired. It means that there is nothing about the Pinkham business which is not "open and above-board."

It means that a permanent invitation is extended to anyone to come and verify the statements made in the advertisements of Lydia E. Pinkham's Vegetable Compound.

Is Lydia E. Pinkham's Vegetable Compound made exclusively from roots and herbs?

This advertisement is only for doubters. The great army of women who know from their own personal experience that no medicine in the world equals Lydia E. Pinkham's Vegetable Compound for female ills will still go on using and being benefited by it; but the poor doubting, suffering woman must, for her own sake, be taught confidence, for she also might just as well regain her health.
